

Each year, upto 140 sick pilgrims travel to Lourdes as part of the Official Archdiocesan Pilgrimage to Lourdes.

They do so in response to the call to come in procession to Our Lady's Shrine, to take part in the services; to visit the baths; and to experience the atmosphere of this holy place.

The Archdiocesan Lourdes Pilgrimage Association exists to help make this journey possible:

- to plan the details of the Annual Pilgrimage
- to provide for the needs of our sick pilgrims, both on the journey and in Lourdes itself; and
- to foster devotion to Our lady of Lourdes.
